Students are asked to bring their decorated wheels to the gym on the morning of Sports Day after 8:30 am. The wheels will be kept in the gym until the students ride them in the parade. After the parade the wheels will be stored back in the gym until they are ready to be taken home at the end of the day. Classes and parents will line up around the intermediate cement area to view the parade. There will be some concession items and popcorn available to purchase. Special Lunch is also planned for that day. I hope that everyone will be able to join us for this fun filled day!

SCHOOL INFO & REMINDERS

Pick Up and Drop Off of Students

You may have noticed how busy traffic can be out the front of our school. We have several buses and vans that pick up groups of children after school and drop them off the next morning. We also have a drop off lane at the front of the school next to the gymnasium. **The drop off lane is only for drop off** (a quick exit of the vehicle) **and pick up** (students who are ready to enter the car). **Please do not park and leave your car in this lane.** We are also very lucky to have Cromie Park at the back of our school. There is a large parking lot and a footpath that leads directly to the school. Please consider using Cromie Park as your drop off and pick up point. We also ask that you watch for foot traffic that may be exiting from the round about or staff lot. **No Parking in Staff Lot** unless using the special needs parking stall (with visible tag).

Our upper intermediate students mind the crosswalk out front of the school. They are trained by our Police Liaison Officer and do a wonderful job of controlling traffic in the crosswalk. If you use this crosswalk with your children it would be wonderful if you could give these hard working students a quick Thank You! Please follow their instructions and respect their role in the crosswalk to ensue everyone's safety.

Year End Assembly

Once again there will be two recognition assemblies during the final week of school. The first will take place at 10:45 am on Tuesday, June 26th. During this short assembly primary students who have participated in the Reading Star program will be asked to stand and be acknowledged. Students in Grade 4-6 who have earned special recognition in the classroom in areas such as good effort and/or service to the school will be asked to do the same. These students will receive a certificate later in the day, acknowledging their accomplishments. The school year-end slide show will be shown during this assembly as well.

On Wednesday, June 27th we will be honouring our grade seven students. This assembly will begin at about approximately 9:00 am and will last for about an hour. During this time we will recognize individuals for their accomplishments and hand out school completion certificates to students. Our Leon Ladner and Anesto Charles award winners will also be announced. I hope all of our Grade 7 parents will be able to join us to celebrate this milestone!

Parent Appreciation

When you drop of your child(ren) on the morning of Wednesday June 13th we hope you are able to grab a coffee and/or baked goods. Our staff will be out in full force delivering these goodies to thank parents. This is our way of saying thank you for all the support you have provided to our school over the past 10 months. All of us here know that we work in a great community and truly appreciate the support everyone provides! Thank You!

June Report Cards

Students will be issued their final report cards on Thursday, June 28th (the last day of school). Students who must leave before the end of the school year may send a friend or family member with a note authorizing them to pick up their report card(s) on this date. If you wish your report cards to be mailed home, please provide a large stamped, self-addressed envelope (2-3 stamps depending on size). Any report cards not picked up will be held at the office until September. Report cards will not be issued before June 28th.

Moving? Please let us know!

We really must know if your child(ren) will not be attending Ladner Elementary next year. Also if you have moved but wish to keep your child(ren) at Ladner Elementary you may need to fill out a non-catchment form. Please contact the office if either of the above applies to you.

School Supplies for Next Year

Ladner Elementary is happy to partner with Staples once again to offer our parents the option to buy School Tools supply kits that have all of the requested classroom items for the fall. In the next few days, your child will come home with a grade specific letter that outlines how to place an order should you choose to buy one. Ordering continues till the end of June, either online or in store at Tsawwassen Commons Staples. All purchases receive \$100 worth of in-store coupons and qualify for a draw for a free kit. Contact Matt Hoegg at matthew.hoegg@staples.ca if you have any questions.

If you do not wish to participate in the pre-ordering of supplies, next year's school supply lists will be available on our school website later this month.
